Introduction

This document is aimed at providing you with a brief overview of our Firm and to introduce our Transactional Service to you in more detail. Our objective is to help you achieve your objectives with a high degree of clarity and understanding. The aim is to provide financial advice that will endure into the future and assist in the realisation of your long-term goals.

We are not limited in the range of Equity Release that we will consider for you. We have a firm commitment to the independent sector and believe that this route will stand the test of time. We offer a comprehensive range of mortgages and insurance from across the market, but not deals that you can obtain by going direct to the lender.

Advice Services

We can advise on and arrange Life Assurance, Protection & General Insurance, Mortgages, Equity Release and Financial Planning. We are bound by the rules of the FCA and for your added protection, we also maintain Professional Indemnity Insurance.

With regard to products we have arranged for you, these will not be kept under review unless we have been specifically asked to do so by you. However, we may contact you in the future by means of an unsolicited promotion should we wish to contact you to discuss the relative merits of a product or service which we feel may be of interest to you.

Advice options

We offer a variety of advice options including:

- ✓ Focused Advice (approaching limited aspects of financial planning only)
- ✓ Full Advice (Full Financial Review based on all aspects of financial planning)

We will confirm which of these advice options will be provided prior to your agreement to proceed and where you have elected for a Focused Advice service; we will provide information about the types of product and areas of advice that we will consider for our recommendation.

Termination

You or we may terminate our authority to act on your behalf at any time without penalty. Notice of this termination must be given in writing. The termination will be without prejudice to the completion of transactions already initiated, if this is the case. Any transactions effected before termination and a due proportion of any charges for services accrued shall be settled to the date of notification.

Call recording

All telephone calls are recorded for regulatory and training purposes and these will be referred to as part of our advice records. All call recordings will be used to minimise ambiguity in our discussions or instructions received and are encrypted for security and integrity purposes. These records will be kept in line with regulatory and statutory requirements, and will be retained for a period of at least 6 years. In order to meet our regulatory obligations; calls concerning advice and transactions may not be carried out via our adviser's mobile phone number, and any such calls will need to be conducted through the recorded office number stipulated.

Client Money

The firm does not handle client's money. We never accept a cheque made out to us (unless it is a cheque in settlement of charges or disbursements for which we have sent you an invoice) or handle cash.

Customer Classification

Each client with whom the firm does business is categorised to identify the level of regulatory protection applied. We believe in providing our clients with full regulatory protection and we propose to classify you as a 'Retail Client' for investment purposes. Where you have been classified as anything other than Retail, this may affect the level of protection available to yourself from the Financial Ombudsman Service, though these restrictions will be highlighted to you at the time of classification.

Objectives and Restrictions

Following the issue of this document, any subsequent advice or recommendation offered to you will be based on your stated objectives, acceptable level of risk and any restrictions you wish to place on the type of products or companies you are willing to consider. Details of your stated restrictions and objectives will be included in the sales documentation provided to confirm our recommendation. Unless confirmed in writing, to the contrary, we will assume that you do not wish to place any restrictions on the advice we give you.

Accounting to Customers

Unless in exceptional circumstances, we will confirm to you in writing the basis or our reason for recommending the transaction executed on your behalf. If you wish to increase your existing borrowing secured on a property which is subject to a regulated mortgage, either unsecured lending or a second charge loan may be more appropriate for you, however these may not always be considered as part of any recommendation.

Material Interest

We offer independent advice but occasions can arise where we, or one of our customers, will have some form of interest in business that we are transacting for you. If this happens, or we become aware that our interests or those of one of our other customer's conflict with your interests, we will inform you in writing and obtain your consent before we carry out your instructions and detail the steps we will take to ensure fair treatment. We have arrangements in place to ensure our clients are treated fairly, and we have a conflict of interest policy in place to help us manage the risks. You may ask for a copy of this policy at any time.

Benchmark Capital

Best Practice IFA Group, of which we are a member, is part of Benchmark Capital Limited, which is part-owned by Schroders plc. In the interest of disclosure the companies that fall under Benchmark Capital Limited include Fusion Wealth Platform and Fusion Funds, which may feature in recommendations made to you. Additionally, as Benchmark Capital is associated with Schroders, you may receive independent advice recommendations for funds that are managed by Schroders (including Cazenove Capital Management). For clarity the use of Fusion Wealth, Fusion Funds, Schroders or Cazenove funds is not mandated and would only be used where it is a suitable solution to your financial objectives. All recommendations are made for the best interest of our clients, not the business, and Benchmark Capital group aims to create cost effective solutions and efficiencies which can benefit both consumers and our members. A board of directors have been appointed to maintain oversight and control of the companies within Benchmark Capital, and procedures are in place to monitor and safeguard our consumer's best interests.

Rights to Cancel

In most cases you can exercise a right to cancel, by withdrawing from the contract recommended to you. In general terms you will normally have a 30 day cancellation period for a pure protection policy and payment protection contracts and a 14 day cancellation period for all other policies. Additionally, in most instances you will not be able to exercise a right to cancel a mortgage contract, unless the contract is concluded at a distance (i.e. not face to face advice), at which point you will have a 14 day cancellation period. Finally, any contracts arranged at your explicit consent (normally referred to as 'execution only') do not provide cancellation rights. The start of the cancellation period will normally begin, for pure protection policies, when you are informed that the contract has been concluded or, if later, when you have received the contractual terms and conditions. In other cases, the cancellation period will begin on the day the contract is concluded or, if later, the day on which you receive the contractual terms and conditions. Instructions for exercising the right to cancel, if applicable, will be contained in the relevant product disclosure information which will be issued to you.

Complaints

Our complaints procedures are available on request. If you wish to register a complaint, please contact us in writing to The Compliance Director, Best Practice IFA Group Limited, Sussex House, North Street, Horsham, West Sussex, RH12 1RQ. Alternatively, you can telephone 01403 334455. If you cannot settle your complaint with us, you may be entitled to refer it to the Financial Ombudsman Service (FOS) further details of the FOS can be found at www.financial-ombudsman.org.uk or by contacting them on 0300 1239123.

Compensation Scheme

We are covered by the Financial Services Compensation scheme (FSCS) if we cannot meet our obligations. This is dependent upon the type of business, the circumstances of the claim and the eligibility of the claimant. Most types of investment, insurance, pension business and mortgages are covered by the FSCS up to specific limits, generally these limits are:

- Investments** – most types of investment business are covered for up to a maximum of £50,000.
- Pensions** – most types of pension business are covered for up to a maximum of £50,000.
- Insurance** – most types of insurance contracts are covered for 90% of the claim, without any upper limit.
- Mortgages** – advising and arranging is covered up to a maximum of £50,000.

Further information about this compensation scheme arrangement and limits that apply to the various types of business can be found on the FSCS website - www.fscs.org.uk or by contacting them on 0800 678 1100.

Documentation

All Policy Documents or Lender's Offer Documents will be forwarded to you as soon as practicable after we receive them. If there are a number of documents relating to a series of transactions, we will normally hold each document until the series is complete and then forward them to you.

Anti-money laundering

We are required by the anti-money laundering regulations to verify the identity of our clients, to obtain information as to the purpose and nature of the business which we conduct on their behalf, and to ensure that the information we hold is up-to-date. For this purpose we may use electronic identity verification systems and we may conduct these checks from time to time throughout our relationship, not just at the beginning.

Providing information to your lender

Your mortgage offer will be based upon the information you provide to the lender. All clients must disclose all 'material facts' (any information that may influence the lender's decision) prior to inception and up to the commencement of the mortgage. You must take 'reasonable care' to answer fully and accurately all questions asked by the lender. Failure to provide accurate and up to date information may invalidate the offer.

Our Services

It is important that you know what to expect in terms of the services we provide and that you understand our commitment to you in the provision of those services. We intend to be professional, clear and fair in our dealings with you and will always ensure that any service or advice provided is in your best interests.

Initial Consultation

We will meet with you face-to-face in order to discuss your needs and how we may help. Then we will gather important information about your current circumstances, your financial history, and your aspirations, priorities and objectives in terms of your financial future.

The consultation will close with a summary of our findings, and our suggested next steps toward a tailored, yet realistic solution to your needs. There is no obligation to proceed at this stage and no costs will have been incurred.

Research and Analysis

Once you have decided to proceed and we have agreed the basis of our fees or commission we will ask you to sign this agreement so we can commence chargeable work. At this stage, we will begin to undertake the process of thoroughly analysing your current position based on our extensive knowledge of financial markets and diligently researching potential solutions for your needs. Should we need to consult with any financial services providers with whom you have a policy or investment, or other professional services, we will ask for your express consent to do so.

Financial Plan

When we have all the information we require, a full financial plan will be devised to outline a clear and thoroughly researched recommendation for the solution we believe to be in your best interests.

We will arrange to meet with you to discuss our recommendations in full, and take you through our plan step-by-step. You are free to take our recommendation and give it due consideration before agreeing to move forward to the next stage.

Financial Planning Report

The recommendations and agreed actions will be detailed in a Comprehensive Written Report which will cover your current circumstances, attitude to risk, aims and objectives and our recommended solution together with all the reasons why and details of the proposed actions. Should you require this report prior to the second meeting a fee will need to be agreed.

Implementation

Once you feel that you are in a position to make a fully informed decision to proceed and you have given us your consent to do so, we will begin the process of implementing our recommendations. We will assist you in completing all of the relevant forms and ensuring your applications are processed by the relevant life companies or investment houses in a timely manner.

On-going Services

On-going services are available for clients with investments and pensions but do not apply to mortgages, equity release and insurance.

The Cost of our Services

This agreement is designed to outline the basis on which we charge for our services in relation to the investigation, research and placement of a mortgage/insurance product on your behalf and is to confirm and formalise our recent conversation regarding the service which we provide. We will require you to provide up to date and accurate information of your personal circumstances and financial objectives. Having established your needs, we will then source a suitable product for you. We will then report to you in writing clearly documenting our recommended course of action. Our recommendations will be made on the basis of the written information provided by you and will take into account the objectives stated by you.

Please be aware that there could potentially be other fees that will be required to be paid by you, such as arrangement fees to the lender we may recommend (mortgages). All such fees will be disclosed in writing to you.

All information given to us, and the recommendations and advice provided by us to you will be kept confidential and will not be disclosed to anyone, except as we agree in writing or to whom we are regulatory obliged to. You may, however, request that a copy of your details may be made available to your Accountant or Solicitor.

When you receive your written report, it will be your decision alone to implement the recommendation. In order that there may be no future misunderstanding, it is for our mortgage/insurance advice services that you will pay a fee under this agreement.

Mortgage Advice We are not limited in the range of mortgages we will consider for you. We offer a comprehensive range of mortgages from across the market, but not deals that you can obtain by going direct to a lender.

Equity Release Advice

Equity Release is a way of releasing the wealth tied up in your property. With an equity release scheme you have to be over a certain age (typically over 55) and own your own home. There are two main types of Equity release on the market – Lifetime mortgages and Home Reversion Plans.

Where you are eligible for equity release we will advise on equity release products. This means we will advise and make a recommendation after we have assessed your needs. We offer a comprehensive range of equity release products from across the market.

You can pay for our mortgage and equity release services by either a fee or commission from the provider (where this is available).

In all cases a fee of **£250** is payable for the initial research and advice at the point that your application is submitted. In addition to this you will either pay a percentage based fee or we will receive commission from the lender upon completion.

1) Percentage Based Fee (in addition to the £250)

The percentage based fee is 0.75% of the amount to be borrowed under your mortgage subject to a minimum fee of £500. For example:

- For a mortgage of £50,000 our fee will be £500 (our minimum fee)
- For a mortgage of £100,000 our fee will be £750
- For a mortgage of £200,000 our fee will be £1500

We will refund any commission paid to us by the lender up to the value of the work completed if already charged to you or offset your fee with the commission we receive.

2) Paying by commission from the lender (in addition to the £250)

No additional fee is charged directly to you for our mortgage services. We will receive a commission from your chosen mortgage lender. The amount we receive will be disclosed in Key Facts Illustration (KFI) or the European Standardised Information Sheet (ESIS) you will receive relating to your chosen mortgage.

You have the right to request the commission levels for each lender offering regulated mortgage contracts.

If we charge you a fee and your mortgage does not go ahead, you will not receive:

- A refund should the lender reject your mortgage application due to you not disclosing any material information about your personal situation.
- A refund should you decide not to proceed with the mortgage loan after we have made a recommendation for you we have made a recommendation for you.

Example based on a £50,000 mortgage application

- Payable on application = £250
- Commission = £500
- **Total received = £750**
